# Certified Registered Nurse Anesthetist

## New London Hospital - New London, NH

New London Hospital is seeking an experienced CRNA (Certified Registered Nurse Anesthetist) to join our independent, all-CRNA anesthesia team at a critical access hospital in New London, New Hampshire. This is a unique opportunity to practice to the full scope of your licensure in a collaborative, high-performing environment that values professionalism, respect, and teamwork across anesthesia, surgery, nursing, and perioperative services. CRNAs are full members of the Medical Staff with voting privileges, and our department is highly respected within the organization.

### Schedule, Compensation, and Benefits:

- 4-day work week with 1:5 call; post-call day off or first-out
- Full-time (1.0 FTE) schedule of 1,680 hours annually with -10 weeks off
- Competitive base salary of \$270,920 with increases based on experience
- Additional earnings through call pay and optional extra shifts
- \$25,000 sign-on bonus + up to \$15,000 relocation (paid within 30 days)
- \$50,000 retention bonus paid over 2 years
- Comprehensive W-2 benefits from day one (health, dental, vision, disability, life, malpractice)
- 403(b) with 4% employer contribution plus 2% match
- \$3,000 annual CME plus coverage for licenses, dues, and NBCRNA recertification
- Tuition reimbursement available for advanced degrees or specialty training
- Practice in New Hampshire with no state income or sales tax

To learn more about our CRNA career opportunities, please visit:

### Minimum Requirements:

- Four years of experience are recommended, and the advertised pay reflects this level.
- Independent practice experience is preferred but not required.
- Regional anesthesia experience is preferred, though the group is happy to support further skill development for the right candidate.
- Obtain a New Hampshire RN and APRN License.
- Certified Registered Nurse Anesthetist (CRNA) from New Hampshire Board of Nursing.
- Degree from an accredited nurse anesthesia education program.

# Dartmouth Health

Going Strong and Growing Stronger

We're continuing to build new facilities to improve our level of care.

- Alice Peck Day Memorial Hospital
- Cheshire Medical Center
- Dartmouth Hitchcock Clinics
- Dartmouth Hitchcock Medical Center
- Hampstead Hospital
- Mt. Ascutney Hospital and Health Center
- New London Hospital
- Southwestern Vermont Medical Center
- Valley Regional Hospital
- Visiting Nurse and Hospice for Vermont and New Hampshire

## Dartmouth Health includes:

- Dartmouth Hitchcock Medical Center (DHMC), the academic medical center in Lebanon, New Hampshire
- Dartmouth Cancer Center, one of only 57-NCI designated comprehensive cancer centers in the nation
- Dartmouth Health Children's including the state's only children's hospital
