Why people love it here in New Hampshire:

- Quintessential New England living with four distinct seasons and an active outdoor lifestyle.
- An ideal environment for families and a strong sense of community.
- Hassle-free commuting with minimal congestion.
- Lively collegiate setting with rich cultural offerings.
- Stunning landscapes and open spaces that offer room to breathe.
- A community that values local products, from farm-to-table dining to skilled artisans.
- Dynamic art, theater, and culinary scenes.

Dartmouth Health

Going Strong and Growing Stronger

We're continuing to build new facilities to improve our level of care.

- Alice Peck Day Memorial Hospital
- Cheshire Medical Center
- Dartmouth Hitchcock Clinics
- Dartmouth Hitchcock Medical Center
- Hampstead Hospital
- Mt. Ascutney Hospital and Health Center
- New London Hospital
- Southwestern Vermont Medical Center
- Valley Regional Hospital
- Visiting Nurse and Hospice for Vermont and New Hampshire

Dartmouth Health includes:

- Dartmouth Hitchcock Medical Center (DHMC), the academic medical center in Lebanon, New Hampshire
- Dartmouth Cancer Center, one of only 57-NCI designated comprehensive cancer centers in the nation
- Dartmouth Health Children's including the state's only children's hospital
- 6 member community hospitals and outpatient clinics across New Hampshire and Vermont
- Visiting Nurse and Hospice for New Hampshire and Vermont

Through its historical partnership with Dartmouth College and the Geisel School of Medicine at Dartmouth, DHMC performs cutting-edge research and clinical trials, and trains nearly 400 medical residents and fellows annually.
