Nurse Anesthetist

Alice Peck Day Memorial Hospital - Lebanon, NH

The Department of Anesthesiology at Alice Peck Day is seeking skilled and dedicated **Certified Registered Nurse Anesthetists (CRNAs)** to join our independent practice team. In this role, you will provide anesthesia care across a broad range of surgical specialties within a supportive clinical environment.

Our Benefits

- Salary tiers starting at \$259,400 with increases based on CRNA experience
- \$25,000 sign-on bonus, paid within 30 days of your start date
- Up to \$15,000 relocation bonus (based on mileage), paid within 30 days of your start date
- \$50,000 retention bonus paid out over 2 years
- Option to pick up extra shifts at the premium rate.
- Day-one health, dental, and vision coverage
- No income or sales tax for New Hampshire residents

What New England has to offer you:

- Four seasons and an outdoor lifestyle
- Proximity to mountains and hiking trails
- Driving distance to the seacoast and/or ski resorts
- Access to major cities and airports
- Local lakes for boating and swimming

Dartmouth Health

Going Strong and
Growing Stronger

We're continuing to build
new facilities to improve
our level of care.

- Alice Peck Day Memorial Hospital
- Cheshire Medical Center
- Dartmouth Hitchcock Clinics
- Dartmouth Hitchcock Medical Center
- Hampstead Hospital
- Mt. Ascutney Hospital and Health Center
- New London Hospital
- Southwestern Vermont Medical Center
- Valley Regional Hospital
- Visiting Nurse and Hospice for Vermont and New Hampshire

Dartmouth Health includes:

- Dartmouth Hitchcock Medical Center (DHMC), the academic medical center in Lebanon, New Hampshire
- Dartmouth Cancer Center, one of only 57-NCI designated comprehensive cancer centers in the nation
- Dartmouth Health Children's including the state's only children's hospital
- 6 member community hospitals and outpatient clinics across New Hampshire and Vermont
- Visiting Nurse and Hospice for New Hampshire and Vermont

Through its historical partnership with Dartmouth College and the Geisel School of Medicine at Dartmouth, DHMC performs cutting-edge research and clinical trials, and trains nearly 400 medical residents and fellows annually.
