Why people love it here in New Hampshire:

- Quintessential New England living with four distinct seasons and an active outdoor lifestyle.
- An ideal environment for families and a strong sense of community.
- Hassle-free commuting with minimal congestion.
- Lively collegiate setting with rich cultural offerings.
- Stunning landscapes and open spaces that offer room to breathe.
- A community that values local products, from farm-to-table dining to skilled artisans.
- Dynamic art, theater, and culinary scenes.

Dartmouth Health is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, veteran status, gender identity or expression, or any other characteristic protected by law.

Dartmouth Health

Going Strong and Growing Stronger

We're continuing to build new facilities to improve our level of care.

- Alice Peck Day Memorial Hospital
- Cheshire Medical Center
- Dartmouth Hitchcock Clinics
- Dartmouth Hitchcock Medical Center
- Hampstead Hospital
- Mt. Ascutney Hospital and Health Center
- New London Hospital
- Southwestern Vermont Medical Center
- Valley Regional Hospital
- Visiting Nurse and Hospice for Vermont and New Hampshire

Dartmouth Health includes:

- Dartmouth Hitchcock Medical Center (DHMC), the academic medical center in Lebanon, New Hampshire
- Dartmouth Cancer Center, one of only 57-NCI designated comprehensive cancer centers in the nation
- Dartmouth Health Children's including the state's only children's hospital
- 6 member community hospitals and outpatient clinics across New Hampshire and Vermont
- Visiting Nurse and Hospice for New Hampshire and Vermont

Through its historical partnership with Dartmouth College and the Geisel School of Medicine at Dartmouth, DHMC performs cutting-edge research and clinical trials, and trains nearly 400 medical residents and fellows annually.
